

Press Release announcing Vilas County Business Incubator Grand Opening Ceremony

July 10, 2012 Eagle River, WI

The Vilas County Economic Development Corporation announced today that the Grand Opening Ceremony and Official Ribbon Cutting for the newly developed Vilas County Business Incubator will take place on August 4, 2012 at 11:00 a.m. After the ceremony, the Business Incubator will remain open for public tours until 2:00 p.m. The public is welcome to attend. Bratwurst and beverages will be served!

The business incubator is located at 413 Hwy. 70 W. in Eagle River at the former Cranberry Products Building next to Eagle River Roasters on the north side of Hwy. 70. Parking for the event is on site and in the lots surrounding the Vilas County Fairgrounds located just to the west of the Vilas County Business Incubator.

Business Incubators provide a low cost solution for working space for start-up and expanding businesses. The Vilas County Economic Development Corporation will staff the incubator and provide assistance and counseling to start-up businesses located in the incubator. The business incubator provides wireless access to high speed internet and is equipped with state-of-the-art video conferencing capability in a shared conference room space available to all business incubator tenants. For more information about becoming a tenant in the Vilas County Business Incubator, people may contact the VCEDC Executive Director, Ken Stubbe toll free at 866-306-3690; vilasedc@yahoo.com or vilasedc.org. Additional information about the incubator can be found at vilasedc.org.
