Harvest Regulations:

1. Harvest all merchantable trees except those marked with purple paint. Do not cut any trees marked with purple paint. All non-merchantable trees having a diameter 1" and greater must be cut concurrent with the harvest of merchantable wood.
2. All trees felled across the Blue Paint Lines must be pulled back into the sale area before being limbed and topped.
3. Harvesting is restricted to the period of July 16 to April 15 following.
4. During the period from May 15 through August 15, the contractor must remove all cut pine products from the sale area within 14 days of cutting.
5. Existing trails serve this area sufficiently therefore, Vilas County prohibits the construction of new roads. All roads and landings must be cleared and leveled upon sale completion.
6. Tree and pole length skidding will be allowed if the contractor demonstrates the ability to skid without damaging residual trees. If excessive damages occurs penalties will apply and skidding will be limited to shortwood skidding. Whole tree harvesting will not be allowed.
7. During harvest operations do not damage any relic burnt pine stumps.
8. Refer to the Timber Sale Contract for all harvest regulations.
