

Who Can Attend?

- Students entering 9, 10, 11, 12 grades in 2015/2016 school year. Must be 17 or under.
- Students interested in natural resources.
- Students who just plain like to be outdoors!

Campers at Bond Falls.

BEST PARTS OF CAMP.....

- Lake Research
- Wildlife / Forest Biology
- Nature Hikes & Canoeing
- Teambuilding/Low Ropes Course

Make new friends... Camp provides the chance to meet new people. Meet counselors who work in conservation careers and meet other campers from around the state.

Camp will challenge you... conservation problem-solving, a wilderness canoe trip, hands-on restoration project, and more...

You may be eligible for a scholarship! Contact your local Land Conservation Department in your county to see if funding is available.

Where is Camp Held?

Trees For Tomorrow natural resource school is located in northern WI on the bank of the Eagle River. Campers stay in comfortable student dormitories, eat their meals in a full service dining hall and attend programs or field studies in the classrooms of the TFT education center or the great outdoors. Check out their website www.treesfortomorrow.com.

Trees For Tomorrow
519 Sheridan Street
Eagle River, WI 54521

100 miles north of Wausau
